ATS APPLICANT
TRACKING
SYSTEM

Post jobs on Work.ua so that hundreds of thousands of targeted job seekers can see them and send responses to you. And then effectively hire the best candidates through to ATS!

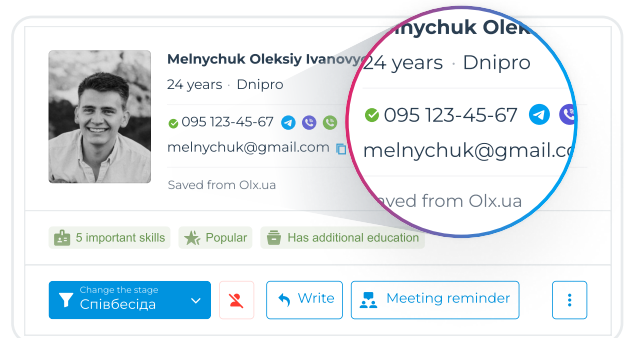

Applicant tracking system (ATS)

When posting jobs and working with the candidate database, you will get full access to ATS — the Work.ua applicant tracking system — for free. It will help you work with candidates as efficiently as possible and save time.

Be aware of changes in the candidate

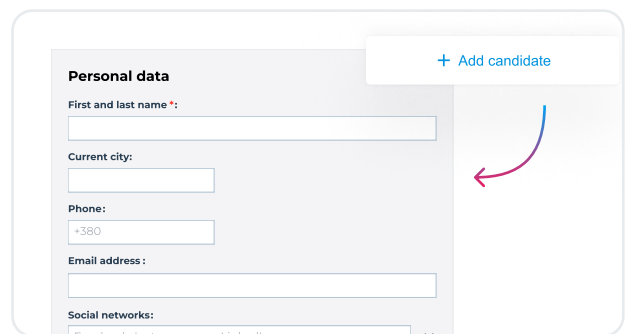

If the candidate changes his phone number or other contact information in his profile, you will immediately see updated data in your candidates database.

You can also see all his resumes.

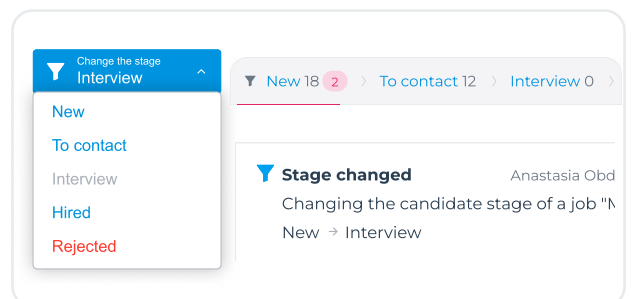

Easily add new candidates

You will be able to quickly add new candidates and information about them from any other sources to conveniently maintain one database of candidates in one place.

Use the hiring funnel

Move candidates through the hiring funnel stages. Thanks to this, you will quickly navigate among dozens of candidates and streamline the hiring process.

These are just a few of the key benefits of ATS that you will get by using our service. So find for employees on Work.ua and evaluate all the possibilities of convenient and efficient hiring.
