Applicant tracking system (ATS)

When posting jobs and working with the candidate database, you will get full access to ATS — the Work.ua applicant tracking system — for free. It will help you work with candidates as efficiently as possible and save time.

Be aware of changes in the candidate

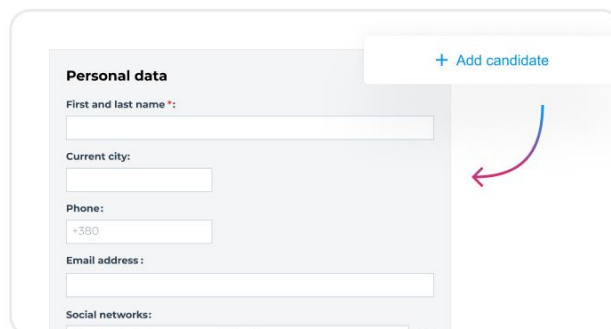

If the candidate changes his phone number or other contact information in his profile, you will immediately see updated data in your candidates database.

You can also see all his resumes.

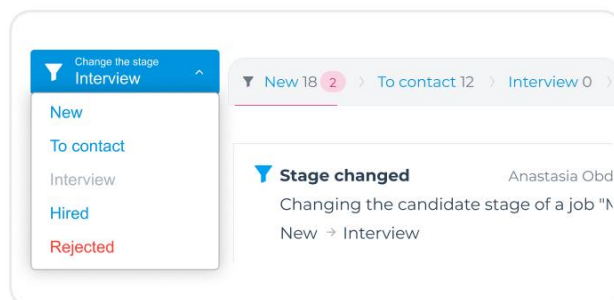

Easily add new candidates

You will be able to quickly add new candidates and information about them from any other sources to conveniently maintain one database of candidates in one place.

Use the hiring funnel

Move candidates through the hiring funnel stages. Thanks to this, you will quickly navigate among dozens of candidates and streamline the hiring process.

These are just a few of the key benefits of ATS that you will get by using our service. So find for employees on Work.ua and evaluate all the possibilities of convenient and efficient hiring.

Publications

With publications you can post vacancies and receive candidate responses. Unused publications are stored indefinitely.

Basic solution	Optimal solution	Maximum result
 Standard 1 090 UAH / month	 StandardPlus 3 290 UAH / month	 Hot job 8 990 UAH / month
✓ Mailing to relevant candidates ✓ Unlimited job offering	✓ 3–5 times more views ✓ Weekly boost in search ✓ Mailing to relevant candidates ✓ Unlimited job offering	✓ 5–7 times more views ✓ At the top of search results ✓ «Hot» badge ✓ Instant mailing to candidates ✓ Unlimited job offering

Standard

The job posting is active for one month and will appear in search results with its posting date. You can offer the job to all suitable candidates in the database without any limits.

StandardPlus

The job posting will be active for one month, with its date updated weekly, increasing job views by 3–5 times.

Hot job

For one week, your job posting will appear at the top of search results with a bright “Hot” label and in the “Hot Jobs” section. Views will increase by 5–7 times.

Access to contacts

While at least one paid job posting is active, you will receive trial access to 5 candidate contacts every day.

 Anonymous publication 6 590 UAH / month	With an anonymous job posting, you can publish a job for one month while keeping your company name hidden. The job posting date will be updated automatically every week. This will help your job posting stay in relevant positions in search results.

Access package to the candidate database

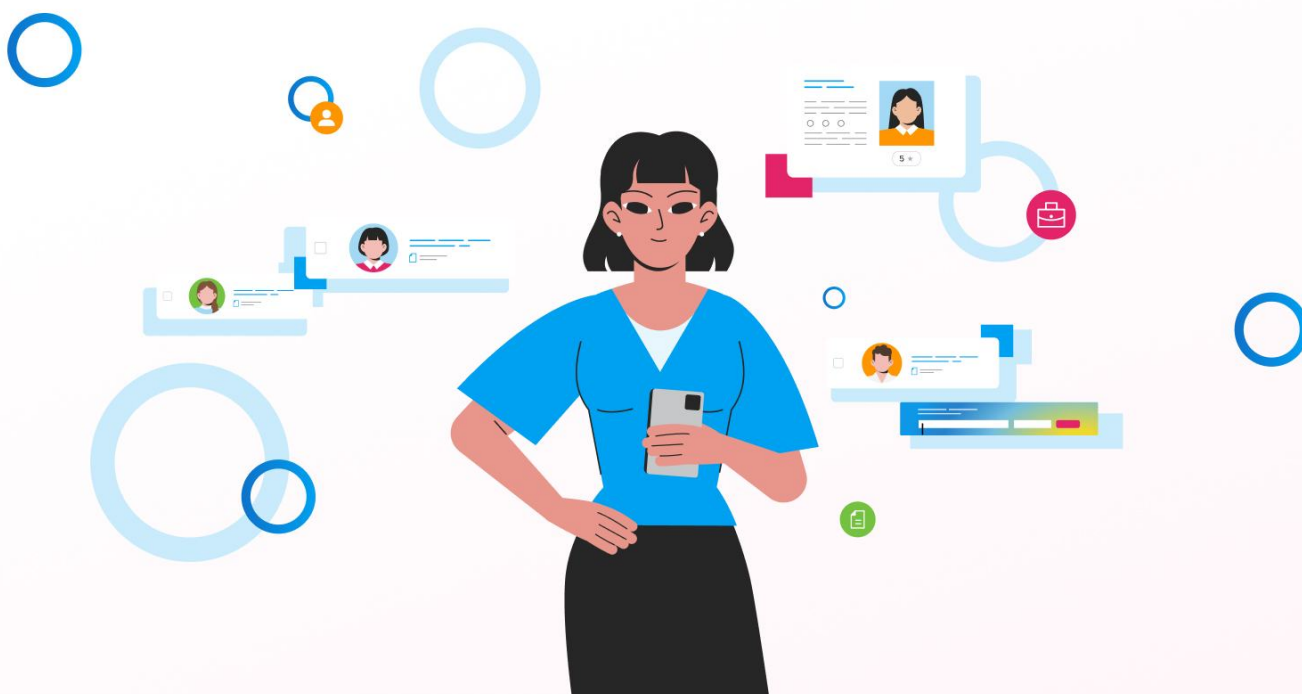

On Work.ua we have collected more than 4.8 million candidates who post 5.4 million resumes. More than 525,000 active job seekers with verified phone numbers have been added in the last 3 months. Work with our database to be the first to contact interesting candidates and effectively close jobs.

Access package to the candidate database

2 990 UAH / 100 contacts per month

- ✓ Over 79,000 new candidates monthly
- ✓ All phone numbers are verified
- ✓ Don't wait for responses — be the first to find the right specialists
- ✓ Search by profession, experience and city
- ✓ Opened contacts remain available forever

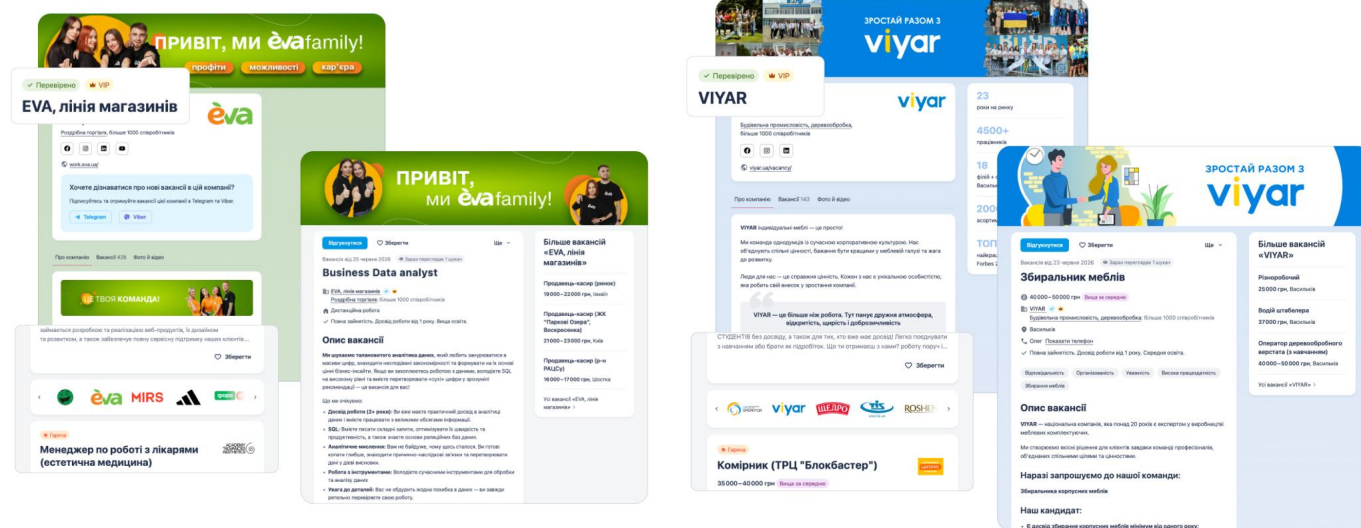

Candidates whose contacts you open will be immediately saved in the applicant tracking system (ATS). Their contacts remain open forever and will always be relevant.

Corporate design

Promoting your HR brand is an important part of any company's growth.

Candidates pay attention not only to the job posting, but also to the company's image, values, and atmosphere — all of which influence their decision to apply.

With this service, you can design all your job postings and your company page in a custom corporate style. This will help your company stand out among thousands of others and make candidates want to work specifically for you.

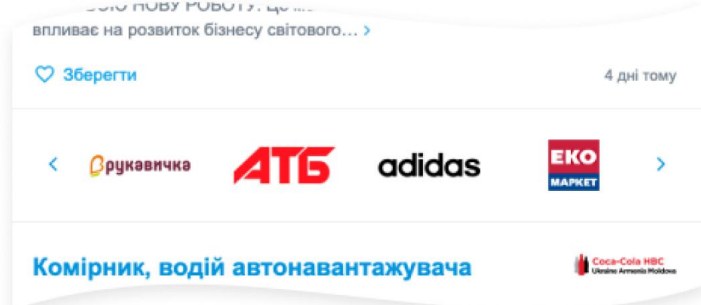

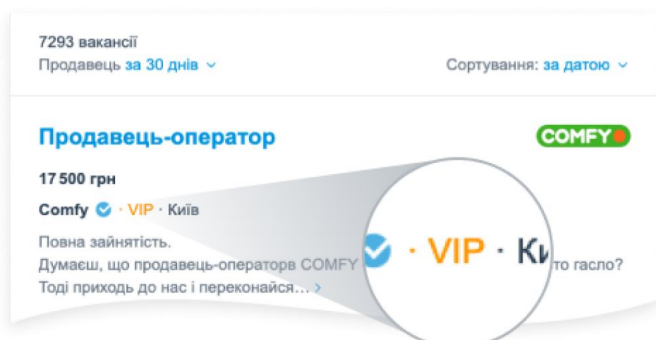

Corporate design

59 900 UAH / month

Your company logo will be dynamically displayed in the search, in the Leading Employers block. Candidates will be able to see it and go to the company page with a list of all job.

Your job postings will also be highlighted with a VIP badge, making them more visible among competitors' job postings.

Logo on the main page

Your logo will be displayed on the homepage of the Work.ua website and app alongside the country's most well-known companies. This builds additional trust, brand awareness, and candidate engagement.

Job seekers will notice your company first and visit the page with all your job postings.
